### ***Short Resume***

Former gymnast in the French national team for 10 years (2005-2015), Quentin then worked in the private sector as a project manager in the digital industry. In 2019, the call of the body and the desire to express himself artistically pushed him to change his life and to enter the world of entertainment as a circus artist. He specializes very quickly in aerial straps. In 2023 he participated in the prestigious Festival Mondial du Cirque de Demain and won the silver medal. He also practices handstands on canes.
